“ My heart goes out to Emily and Mary and all the grandchildren during this time of loss. I loved Aunt Bernita so much and I always will. She was one of my favorite people in this world and I'm so thankful for all the memories I have of her. From the time I was a little girl she was an inspiration and a hero to me. She was a model of strength, determination and self-reliance in my life. Whenever I felt sorry for myself, I thought about all the challenges she faced and overcame in her lifetime. She was a hard worker and so artful and creative. My life is fuller because I knew her. Blessings and love to all of you.
