“ She would come for weekends to my parents house, we would go shopping, out to eat and play Yahtzee to the wee hours of the morning. We love you Cynthia but we know you are healthy and free of pain now. Rest in peace

“ The happy memories of times our families spent together are rushing through my mind. Wonderful times at Swan Lake were a big part of my childhood and I always picture Cindy smiling and laughing. I'm so sorry she left us but so happy I got to be a part of her life.

Peace to you, Little Larry, and all who loved her.

“ My best friend, Cynthia, will be greatly missed. Playing 500 at Control Data and evenings with the girls we had so much fun! Meeting for lunch and bringing us up to date on each of our families brought us closer. Cynthia was a good friend, generous, intelligent, gracious and a wonderful person to be around.

“ Aunt Cynthia was a wonderful person. Loving and always fun to be around when I was very little my brother and I spent a lot of time with her and my cousins I loved the time you and Amy and Kathy went to the ocean in Connecticut with us. You'll be missed. Rest In Peace. Love you Brad.

“ Remembering so many years ago when Beth and Dawna were just little girls and played together and attended Lincoln School. Then the moms would get together for coffee around the block. Peace be with you.

“ Dear Larry and family.
I surely was saddened when I received the e-mail about your dear Cynthia. I remember her from high school days as a pretty girl with a friendly smile. Again I want to express my condolence at this sad time. God Bless you all,
Gail Henry Class of 58
