“ My sympathy to Warren's family and to Karla. So very sorry in your loss. My memories go back to when I was secretary-treasurer for PCA and he was manager of Federal Land Bank as we shared office space. Also, through the years when I became active with VFW Auxiliary as Warren was member of the Post and Geneal a member of the Auxiliary. A fun couple to know and also dedicated to the VFW. Lots of memories. God Bless. Helen Kill.

“ i got to know Warren and Geneal at Shopko Pharmacy. Warren always had some gem to share that would make our day! one I remember was his "squirrel flinging" setup. he mostly signed the credit card machine with a fake name like Mickey Mouse or Popeye. it was so sad to see him mourn Geneal. he missed her. I missed him when he moved. i know this sounds strange, from just a few minutes conversation once a month or so at the pharmacy, but just a few intense minutes can make friends. my sympathy to Warren's family.
